

BIRMINGHAM-SOUTHERN COLLEGE CAMPUS POLICE

Campus Residence Safety Suggestions

The following are suggestions to assist with ensuring the security of you and your property. Thank you for your cooperation.

- Leave valuable and ostentatious jewelry at home.
- **Keep your room locked; even if away for a short time.**
- Mark all electronic gear (TVs, stereos, computers etc.) indelibly with part of your Social Security number and/or home address/phone. Contact the Campus Police for assistance with this task.
- Do not leave cash or other valuables laying around in plain view on dresser tops, etc.
- Take laptops, MP3 players, smart phones, and other valuable portables with you when leaving the room during holiday breaks.
- Do not give the residence hall door codes to strangers.
- Do not prop the exterior doors open. (This would give anyone access to the residence hall.)
- Be especially observant during move-in and move-out weekends. Many thefts occur then.
- Report suspicious persons on your floor, to the Campus Police.
- Observe all residence life and visitation rules --- and insist that your room/suite mate do the same.

**** If you see any suspicious activities please contact the Birmingham-Southern College Campus Police Department at 226-4700.***
